| Article Name               | Pimecrolimus, CAS [[137071-32-0]]                                                           |
| Biozol Catalog Number      | LKT-P3348                                                                                   |
| Supplier Catalog Number    | P3348                                                                                       |
| Alternative Catalog Number | LKT-P3348-1,LKT-P3348-5,LKT-P3348-25                                                        |
| Manufacturer               | LKT Labs                                                                                    |
| Category                   | Biochemikalien                                                                              |
| Product Description        | Calcineurin inhibitor, potential TRPV1 agonist....                                          |
| Molecular Weight           | 810.45                                                                                      |
| Purity                     | 99%                                                                                         |
| CAS Number                 | [137071-32-0]                                                                               |
| Formula                    | C43H66ClNO11                                                                                |
| Application Dilute         | Soluble in DMSO (25 mg/mL). Soluble in ethanol (25 mg/mL). Soluble in chloroform, methanol. |
