| Article Name               | T2 toxin Triol, CAS [[34114-98-2]]                                                   |
| Biozol Catalog Number      | LKT-T0004                                                                            |
| Supplier Catalog Number    | T0004                                                                                |
| Alternative Catalog Number | LKT-T0004-1,LKT-T0004-5                                                              |
| Manufacturer               | LKT Labs                                                                             |
| Category                   | Biochemikalien                                                                       |
| Product Description        | Trichothecene mycotoxin produced by Fusarium, peptide chain initiation inhibitor.... |
| Molecular Weight           | 382.45                                                                               |
| Purity                     | 97%, TLC                                                                             |
| CAS Number                 | [34114-98-2]                                                                         |
| Formula                    | C20H30O7                                                                             |
| Application Dilute         | DMSO, Dichloromethane, methanol. Slightly soluble in water.                          |
