## Product Datasheet

### **FSH (Follicle Stimulating Hormone) VIT-MAD-000704QD-12**

|                            |                                                                                   |
|----------------------------|-----------------------------------------------------------------------------------|
| Article Name               | FSH (Follicle Stimulating Hormone)                                                |
| Biozol Catalog Number      | VIT-MAD-000704QD-12                                                               |
| Supplier Catalog Number    | MAD-000704QD-12                                                                   |
| Alternative Catalog Number | VIT-MAD-000704QD-12                                                               |
| Manufacturer               | VITRO                                                                             |
| Host                       | Rabbit                                                                            |
| Category                   | Proteine/Peptide                                                                  |
| Application                | IHC                                                                               |
| Species Reactivity         | Human                                                                             |
| Immunogen                  | A synthetic peptide corresponding to residues of human FSH (beta subunit) protein |
| Clonality                  | Monoclonal                                                                        |
| Clone Designation          | [EP257]                                                                           |
| Isotype                    | IgG                                                                               |
| Buffer                     | PBS                                                                               |
| CAS Number                 | 14 days                                                                           |
