## Product Datasheet

### Human Interferon Beta 1a, mammalian PBL-11410-2

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | Human Interferon Beta 1a, mammalian                                |
| Biozol Catalog Number      | PBL-11410-2                                                        |
| Supplier Catalog Number    | 11410-2                                                            |
| Alternative Catalog Number | PBL-11410-2                                                        |
| Manufacturer               | PBL Assay Science                                                  |
| Category                   | Proteine/Peptide                                                   |
| Product Description        | Recombinant Human Interferon-Beta 1a, mammalian...                 |
| Molecular Weight           | 23 kDa                                                             |
| NCBI                       | <a href="#">00534</a>                                              |
| UniProt                    | V00534                                                             |
| Buffer                     | 10mM Acetic Acid                                                   |
| Source                     | CHO                                                                |
| Purity                     | >95%, one N-glycosylation site. Proprietary chromatography methods |
| Form                       | Liquid without a carrier protein                                   |
| Target                     | IFNB1                                                              |
