### Tyrosine Hydroxylase NRM-SO25000

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Article Name               | Tyrosine Hydroxylase                                            |
| Biozol Catalog Number      | NRM-SO25000                                                     |
| Supplier Catalog Number    | SO25000                                                         |
| Alternative Catalog Number | NRM-SO25000-100,NRM-SO25000                                     |
| Manufacturer               | Neuromics                                                       |
| Category                   | Proteine/Peptide                                                |
| Application                | ICC, IF, IHC, WB                                                |
| Species Reactivity         | Human, Mouse, Primate, Rat                                      |
| Immunogen                  | Native rat tyrosine hydroxylase purified from pheochromocytoma. |
| NCBI                       | <a href="#">7054</a>                                            |
| UniProt                    | <a href="#">P07101</a>                                          |
| Form                       | Affinity Purified liquid                                        |
| Application Dilute         | ICC 1:100-1:200, IHC 1:100-1:200, WB 1:250-1:500                |
| Application Notes          | ICC, WB, IHC, IF                                                |
