| Host                       | Gallus                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, FC, WB                                                                                                                                                                                                                                                 |
| Immunogen                  | KLH-conjugated synthetic peptide YPYDVPDYA of influenza virus hemagglutinin.                                                                                                                                                                                  |
| Product Description        | HA-tag is derived from a human influenza hemagglutinin HA-molecule corresponding to amino acids 96-106 and is used as a general epitope tag in expression vectors. An anti-HA antibody can then be used to detect the protein on western blot or to immuno... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Purity                     | Immunogen affinity purified in PBS pH 7.2, containing 0.1% sodium azide.                                                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                                                                                                        |
| Antibody Type              | Polyclonal Antibody                                                                                                                                                                                                                                           |
| Application Dilute         | 1:10 000 (ELISA), 1:500 dilution (WB)                                                                                                                                                                                                                         |

|                   |                                                            |
|-------------------|------------------------------------------------------------|
| Application Notes | ELISA (ELISA), Flow cytometry (Flowcyt), Western blot (WB) |
