### Recombinant human activin A PLUS protein QKN-QK005-0500

|                            |                                          |
|----------------------------|------------------------------------------|
| Article Name               | Recombinant human activin A PLUS protein |
| Biozol Catalog Number      | QKN-QK005-0500                           |
| Supplier Catalog Number    | Qk005-0500                               |
| Alternative Catalog Number | QKN-QK005-0500                           |
| Manufacturer               | Qkine                                    |
| Category                   | Proteine/Peptide                         |
| Application                | organoid culture, stem cell culture      |
| Product Description        | Activin A PLUS (human)...                |
| Molecular Weight           | ~24 kDa (for the dimer)                  |
| Source                     | E.coli expressed                         |
| Form                       | lyophilized                              |
| Application Notes          | stem cell culture, organoid culture      |
