## Product Datasheet

### Mouse IFN beta, Clone: [PSH04-72], Unconjugated, Rabbit, Monoclonal HBO-HA722172

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | Mouse IFN beta, Clone: [PSH04-72], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA722172                                                        |
| Supplier Catalog Number    | HA722172                                                            |
| Alternative Catalog Number | HBO-HA722172                                                        |
| Manufacturer               | HUABIO                                                              |
| Host                       | Rabbit                                                              |
| Category                   | Antikörper                                                          |
| Application                | ELISA                                                               |
| Species Reactivity         | Mouse                                                               |
| Immunogen                  | Recombinant protein within Mouse IFN beta aa 22-182 (P01575).       |
| Conjugation                | Unconjugated                                                        |
| Clonality                  | Monoclonal                                                          |
| Concentration              | 1 mg/mL.                                                            |
| Clone Designation          | [PSH04-72]                                                          |
| UniProt                    | <a href="#">P01575</a>                                              |
| Buffer                     | PBS (pH7.4).                                                        |
| Purity                     | Protein A affinity purified.                                        |
| Form                       | Liquid                                                              |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH04-73] to Mouse IFN beta antibody (Detector) (HA722173) and Recombinant Mouse IFN beta protein (HA210789) as the standard. The reference range |
